DI.2. Interim meeting report

Executive Summary

The Interim meeting of the project **101050672 “GoOutThere! Outdoor Challenge”** was conducted between 27-28 April 2023, in Athens, Greece.

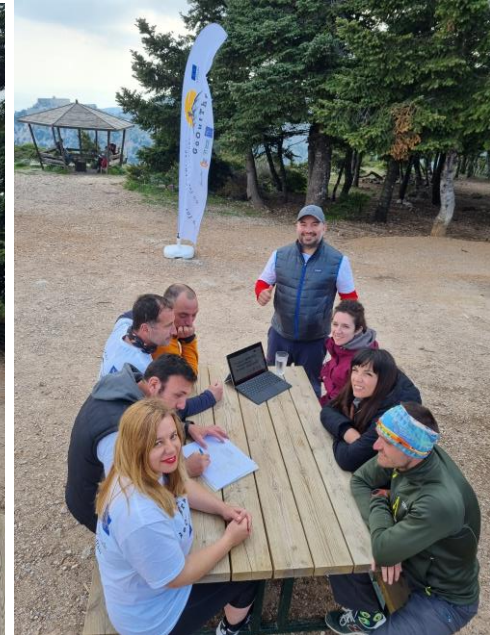

The Interim Transnational Project Meeting in Athens, Greece, organized by the Greek partner "European Republic," focused on coordinating upcoming events and how to disseminate information about them. The meeting covered topics such as how the Actionbound system works, engaging audiences, providing rewards, and other coordination measures. Additionally, the meeting discussed project management, including responsibilities, division of work, project indicators, risk analysis, potential problems, and conflict resolution. The project schedule was discussed during the two-day meeting. Each partner sent two participants.

The participants discussed in detail the elaboration and execution of the interactive, location-based outdoor adventures and challenges (Actionbounds), and more specifically:

- details on customizing the activities by adding tasks and challenges that participants must complete at various locations. The way GPS coordinates, QR codes, photos, videos, or audio recordings are included in the activity;
- the emphasis on the digital nature of the rewards and participant registration system (Map, GeoTags, Achievement Badges) as a means to ensure lasting and sustainable use of the Actionbounds;
- the design and layout of the Actionbounds with the project branding, logos, and EU-funding related visibility items;
- publishing and sharing the Actionbound after the pilot Events;
- the specific outdoor locations through which the challenges go and the tasks that participants must complete in a set amount of time;
- the checkpoints within the challenges throughout the course, their GPS coordinates to guide participants to each location;
- the penalties or rewards for completing challenges or finishing the course within a certain time frame;

- the leaderboard and scoring system to encourage friendly competition among participants;
- ensuring the activities are safe and feasible for all participants.

The participants filled in the evaluation form for the meeting.

Agenda

The meeting was conducted as follows:

- 27 April 2023: Arrivals in Athens
- 28 April 2023: Discussions & presentations.

Venue: Athens, Greece | Flampouri Mountain Shelter, Mount Parnitha
